Collect an empty toilet paper roll and follow the easy steps below to make your very own Willie Win!

**Tail:** Fold in half and glue together. Fold tab and glue on the back of the roll.

## Directions:

1. With an adult's help, cut out the pieces.
2. Glue the large rectangular piece on first to cover the tube. Toilet paper rolls come in different sizes, so if you find the rectangle is a bit too big, just trim it down.
3. Glue on the head and arms to the front of the roll.
4. Fold the tabs on the feet and tail and glue them on to the toilet paper roll to give it a three-dimensional effect.

**Feet:** Fold tab and glue feet to the inside, bottom of the roll to give the feet a 3D effect.
