

## **MARITIME BREEDERS ASSOCIATION**

420 University Ave. Suite 204A Charlottetown, PE C1A-7Z5

(P) 902-569-1682 (F) 902-569-1827 Email: [peracing@eastlink.ca](mailto:peracing@eastlink.ca)

The Maritime Breeders Association is now accepting memberships in the form of stud fees for the 2021 breeding season. The fee to become a member of the Maritime Breeders Association and have foals from your stallion eligible for nomination to the Maritime Breeders Stake in 2022 is **\$750.00 or one full stud fee, whichever is the greater of the two per stallion**. Please complete the attached registration form and forward a signed copy to the address above prior to **March 31<sup>st</sup>, 2021**. Stallion fees are due by **July 15<sup>th</sup>, 2021**.

Payments made after this date will be subject to a **late payment of \$100.00 in addition to the stud fee**.

For a stallion's progeny to remain eligible to stake, the stallion owner(s) must submit a payment for each year that the stallion has bred mares and the stallion must stand their entire breeding season in one of the Maritime provinces. If a mare has two foals as the result of an embryo/ovum transfer in a given year, only the first-born foal will be eligible for nomination. The exception to this rule is the case where the recipient mare foals twins, then they both may be nominated to the Maritime Breeders Association Stake as yearlings.

If you require any additional information concerning the Maritime Breeders Association, please contact Julie Jamieson at the above numbers.
