Horse Names

35 – Starters with a "one word" name. Of those 35, only Somebeachsomewhere and Mantacular managed to win. Seven horses with a "one word" name have finished second (Squirter, Neutrality, Stout, Workplace, Tyberwood, Artesian and Metropolitan) and seven finished third (Pinocchio, Kingsbridge, Megamind, Camotion, Horselaughter, Mcardle, Panspacificflight). In the 26 years that the Cup has been raced, and only Somebeachsomewhere and Mantacular won with a "one word" name, a grand total of 9 Thoroughbreds with a "one word" name have won the Kentucky Derby (Barbaro, Giacomo, Monarchos, Charismatic, Grindstone, Unbridled, Alysheba, Ferdinand and Swale). Ironically, when Mantacular won the Cup in 2004 EACH of the top three finishers had a "one word" name as Metropolitan was second and Panspacificflight was third. Some of the better "one word" horses that failed to win the Cup have been: Guts, Astreos, Camotion, Artesian, McArdle, Riyadh, Stout, Workplace (who had the lead at the top of the stretch but broke and finished second) and Dali. In 2006 the "one word" starters were Doonbeg and Impeccable. Both made breaks. The only "one word" name in the 2007 field was Artriverderci and he drew post 10. In 2008 there were 2 starters with a one word name. Somebeachsomewhere won and Dali was 8th. In 2009 Anneswesterncard finished 9th. Perhaps Bill O'Donnell would have had better luck in the Cup had he not been paired with names like Guts, Laag and Camtastic.

20 – Cup winners had a "two word" name and four Cup winners had a "three word" name (Red River Hanover, Gallo Blue Chip, Cams Card Shark, Quite A Sensation).

8 – Letters and spaces in the shortest name of a Cup winner (Tell All).

4 – Letters and spaces in the shortest name of a Cup starter (Guts, Laag, Dali).

4 – Cup winner's names started with the letter S. 3 Cup winners started with the letters G, R, and T. 2 Cup winners names started with A or P and one Cup winner's name started with each of B, C, D, J, L, M, Q, W and Y.)

4 – Letters in the name "Nero", shortest name of the sire of a Cup winner (Runnymede Lobell)

2 – Cup starters with a hockey-themed name (Sutter Hanover and Goalie Jeff)

A number of drivers have seemed like natural choices for the horses they drove. Dave Palone on Dave Panlone; Cat Manzi on Mantacular; Ohio-born Dave Miller on Buckeye Hanover (Ohio being the Buckeye State); Mike Lachance on Magical Mike; John Campbell on Arizona Jack (John's father is known as Jack).
