

## **DALE SOBEY**

Kensington, Prince Edward Island

**Nominated as: Breeder Director, Atlantic Region**

Dale Sobey has been involved in the harness racing industry his whole life, as a breeder, trainer, driver and volunteer.

He was for many years a Director with the Prince County Horsemen's Club and is currently serving his third consecutive term as a Director with the Atlantic Sires Stakes Association.

Dale trains at a public stable at Summerside and has bred his own stock for 35 years. His late father, George, also a trainer, driver and breeder of Standardbred horses, was recognized by the industry for his consistent success breeding stake winners on the Island. George was a friend and colleague of the legendary Joe O'Brien and it was through that old connection that Dale and other Islanders spent many years in California training horses for the O'Brien Stable.

Dale brings a commitment to preserving and strengthening the Standardbred industry in Canada.

He believes the policies of Standardbred Canada must first and foremost benefit horsemen and women at the grass roots, and if elected he will work hard to ensure that happens.
