

DIANE BERTRAND

Edmonton, Alberta

Nominated as: Breeder Director, Western Region

By day I work as a Mortgage Specialist with BMO-Bank of Montreal, I have been with BMO for 24 yrs.

By Night it is all about horse racing. I have been a fan of harness racing, and have been going to the races for over 25 yrs. I bought my first horse 6 years ago, now I own approximately 30 horses. I have raced my horses in Alberta, Ontario, B.C, N.Y, and Pennsylvania.

I currently hold the Owners Chair with Alberta Standardbred Horse Association, as well a director on the Alberta Standardbred Horse Association Breeders.

Through the years some horses need a new career, and I currently have 3 brood mares. I enjoy all aspects of racing, and my new chapter in breeding is very exciting and rewarding.

My dedication to Standardbred horse racing will be a definite asset to being part of the Breeders board. I have a vested interest in breeding and feel that along with my dedication and business experience can assist with protecting the registry of the breeders.
