All Series conducted under the rules and regulations of the Ohio State Racing Commission, the United States Trotting Association and Northfield Park. Post positions in all legs drawn by lot. At the time of declaration, with the exception of championship legs or consolations, a horse must meet current qualifying standards at Northfield Park (official track variances allowed). Declarations close in accordance with the current draw schedule at Northfield Park. Starting fee must be paid before horse races. Northfield requires six separate betting interests in any event or it may be canceled. In the event more than eleven enter any preliminary leg, the race will be split into divisions (maximum of ten horses per race if two or more divisions, at discretion of Director of Racing). Northfield reserves the right to reject any entry and return fee, declare off the event if sufficient nominations are not received, and place any horse entered incorrectly into its proper class (all at discretion of Director of Racing). Stall space for all nominees may be revoked at any time. Series Eligibility is based on average earnings per start in 2019 (must have at least 6 starts – starts made in 2020 will not affect horse's eligibility) at time of draw for opening leg of series. Ties for spots in final and consolation will be drawn by lot.
