

## **Greenhawk Express Franchising Opportunities March 2008**

Greenhawk is pleased to announce new Franchising opportunities for smaller sized communities and race tracks. Currently operating 23 locations across Canada, Greenhawk's newest Franchising opportunity, *Greenhawk Express* is designed for smaller communities where large size tack shops may not be suitable

Greenhawk full size stores carry a complete complement of inventory ideal for major and secondary markets across Canada. Store sizes range from 1500 sq ft to 10,000 sq ft depending on the area.

Greenhawk Express locations are smaller stores designed to offer a more limited selection of product in smaller markets. Express locations can be combined with existing businesses such as feedmills, boarding and training facilities, riding schools, pet stores, town hardware stores or rural locations in need of a local smaller scale tack shop. Greenhawk Express is an ideal "store within a store" concept, incorporating a Greenhawk identity within your existing store format. Express locations can also be stand alone. Store sizes range from 250 sq ft to 1000 sq ft. Visit [www.greenhawk.net](http://www.greenhawk.net) or email [franchising@greenhawk.net](mailto:franchising@greenhawk.net) for further details.
