#### Races:

R1 – All Clear

R2 – All Clear

R3 – All Clear

R4 – The conditions of this race were listed in the programme as a “claiming \$15,000” (*with conditions*). The race should be listed as a non-winners of \$40,000 life time. None of the horses had claiming prices listed in the programme. The “claiming \$15,000” was left in the programme erroneously. This race was not a claiming race.

- Reviewed possible pylon violation at the head of the stretch. #2 Your Raider Boy (Nick Steward), (finished 5<sup>th</sup>) was inside one pylon. No advantage gained, no violations.

R5 – Reviewed possible pylon violation going to the 1/4. #1 Its Huw You Know (Ed Hensley), (finished 5<sup>th</sup>) made a break midway through the first turn and went into the safety lane. After the horse regained stride he was inside more than three consecutive pylons and gained an unfair advantage. #1 also failed to continuously lose ground while inside the pylons. #1 finished 5<sup>th</sup> and was placed 7<sup>th</sup> (*last*).

R6 – #2 Southwind Razor (Scott Coulter), (finished 3<sup>rd</sup>) finished the race with broken equipment (Go-Straights).

R7 – All Clear

R8 – All Clear

R9 – All Clear
