Backstretch

Siren and lights checked at qualifiers this morning and some adjustments made. We were advised they are in good working order

Bob McClure in for a review of R1 April 09 in which he drifts in the stretch from the rail to about the 4 path. Bob indicated that the horse was on the left line badly, It was a green three year old making its first start of the year and that the trainer was making adjustments to help steer the horse better. We accepted his explanation but advised that we expected a more visible effort to keep the horse down on the rail in the future.

Trainer transfers approved from Mike Weller to Scot West for the horses Overcomeby Victory, Fluff Me Up and Bella Palazzo. Uploaded to the CRIS system
