(Accidents, claims, fines and/or suspensions, objections and/or disqualifications, refunds and any other pertinent incidents)

We have scheduled a paddock meeting for Friday December 29th to review Standardbred rules 6.54.01 and 6.54.02 which come into effect on January 1st. These rules relate to the "Out of Competition Testing" of horses after a qualifier.

This testing will be looking for any Analgesic, Corticosteroid, Anti-inflammatory, NSAID or local anesthetic. Also, substances that belong to the classes of drug that do not have an elimination guideline.

As a reminder, horses qualifying to come off the long-term vet's list will continue to be tested, as they have been since June.
