Embrow, ON

**Nominated as ONTARIO BREEDER DIRECTOR**

Following a 30-year career in insurance and finance, I have now retired from my day job and am eager to dedicate more time to my lifelong passion for harness racing. My parents, Jim and Jean Caddey, founded Greystone Standardbreds in the 1970s and along with my husband, Brent Belore a fourth-generation horseman whose family has been involved in every aspect of the industry, we have continued the Greystone name for over five decades. Today, I am proud to see the next generation also carrying on that tradition.

Over the years, I have had the privilege of serving the harness racing community in various leadership roles, including multiple terms as OHHA Treasurer, and Chair of Standardbred Canada's Audit Committee. After a few years away from public service, I am eager to return and bring a fresh perspective, renewed energy, and a continued commitment to the long-term success of our industry.

With common sense,

Colleen Belore
