Race Report

Race 1: Clear.

Race 2: Inquiry.

First Inquiry: #6 made a break in the stretch and was determined not to have lost sufficient ground while on a break. #6 was placed from 3rd to 4th.

Second Inquiry: Reviewed the break by winner #4 approaching the three-quarter pole. No violations. The driver of #4 reported to the paddock judge that the horse's head check may have been off prior to the start. Video review showed the head check was in place. The head check and head pole both came off after the horse made a break. Reviewed fractions in the race. Considering track conditions and strong wind, no violations.

Race 3: Clear.

Race 4: Clear (Photo – Place).

Race 5: Clear. Reviewed #4 behind the gate. The horse was off the gate by approximately 7/8 of a length and did not break. Spoke with the driver/trainer. #7 was inside two consecutive pylons at the top of the stretch. Not lapped on, no placings required.

Kenneth R. Parker (732C1) – Inside 2 consecutive pylons \$50 R332(1)
