

**Alex Lilley  
Dutton, ON**

**Nominated as ONTARIO ACTIVE DIRECTOR**

My name is Alex Lilley and I'm asking for your support in the upcoming Standardbred Canada election.

I'm 36 years old and living the dream. I am married to a great gal, Laci, and we have two sons (Jate and Connor) and two daughters (Coral and Sadie).

I have been lucky enough to spend every day of my life working with horses. I started cleaning stalls when I was old enough to pick up a fork. It didn't take long before I was grooming, then training, then owning, and later driving.

As a partner in Mac Lilley Farms, I have had the opportunity to work with the broodmares and collect the stallions.

Standardbred stakeholders invest a tremendous amount of time and money in their stock. I understand this commitment.

If I am elected to represent the Ontario horsepeople, please know I will be happy to take your concerns to the Standardbred Canada board.

Thank you for your support.

Alex Lilley
