

Ian Fleming
Londesborough, ON

Nominated as ONTARIO TRACK DIRECTOR

Ian Fleming has been a part of the Ontario Horse Racing Industry for over 30 years. He was born and raised in Clinton, Ontario which has led to a management profession in harness racing, Clinton Raceway and long time horse owner/breeder.

Recently inducted into the 2019 Canadian Horse Racing Hall of Fame, Ian is the General Manager and Race Secretary of Clinton Raceway.

He began as race secretary at his home track which evolved into managing the racetrack. In the '90s he created a centralized race office which still services most of the tracks in the province. And, he's still the General Manager of Clinton Raceway.

Ian was also the Racing and Gaming Manager at Western Fair Raceway for many years and has been a major fundraiser for a number of industry causes like the local Clinton Hospital Foundation raising more than \$250,000 over the past 10 years during Clinton Raceway's biennial Legends Day event — a wildly-successful promotion Ian created thanks to the help of Hall of Fame drivers.

Currently, Ian is a Director on the Ontario Racing Board, the North American Race Secretary Association and the Ontario Standardbred Adoption Society.

Ian has been a Standardbred Canada (SC) Director for many years including his most recent term which began 2017 and has him on the Executive Committee and other ad hoc committees.

Ian is hoping to retain his seat on the board and would appreciate your support and vote in the 2019 SC Board of Director elections.
