

Tony Zuethoff
Pictou, NS

Nominated as ATLANTIC BREEDER DIRECTOR

In 2001, I started Pictonian Farm, a breeding and boarding /turnout operation.

Pictonian Farm has 1 stallion - Western Paradise and some broodmares.

I am on the board of Nova Scotia Harness Racing Industry Association and have represented the Maritime Breeders' Association since 2005. I have also been on the Board of Standardbred Canada for the past six years.

If elected as a Director, I will seek to improve the public awareness of harness racing and will promote the interests of all breeders in Atlantic Canada.
