General Conditions

1. **Eligibility:** Open to foals of 2007 that were sired by stallions duly nominated to the Canadian Breeders Championship and are registered with Standardbred Canada or the United States Trotting Association. In the event a foal by a duly nominated stallion is not nominated by May 15, 2008, the foal is eligible to be nominated at a fee of \$1,000 no later than February 15, 2009.
2. **Composition of Purses:** All nomination and sustaining payments are segregated by sex. Stallion nomination fees are segregated by gait and allocated equally to the four three-year-old events. Purses will be the total of the added money, the share of the stallion nomination fees, yearling nomination fees, sustaining fees and starting fees.

Racing Conditions

1. **Distance:** Each event will be raced at a distance of one mile.
2. **Eliminations:** If more than 12 horses are declared to start, the race will be contested in eliminations and a final. If 12 or less horses are declared to start, the race will be contested in a single dash (on the allotted date of the final) and the horses that declared into the eliminations will automatically be declared into the final. If eliminations are used to determine the finalists, post positions in the final will be determined by an open draw with the exception that the elimination winners, in an order determined by lot, may choose their post position for the final. The owner(s), or designated agent, of each winner must select the post position by a time specified by the Racing Secretary, or that elimination winner will be placed in the open draw with the rest of the final field.
3. **Allocation of Purses:** If eliminations are required, the total purse will be divided in accordance with the Rules of Racing of the applicable Racing Commission. Where permitted by the Rules of Racing, 30 per cent of the total purse will be divided equally among the eliminations (if applicable).
4. **Final:** If there are eliminations, the final will be limited to ten horses. The ten finalists will be those horses that finish highest in the official order of finish in the eliminations. Horses tied for the last eligible starting position(s) for the final will be drawn by lot to constitute a field of ten horses.
5. **Also Eligibles:** One also-eligible will be carried to the final event. No also-eligible will draw into race after wagering has opened.
6. **Purse Distribution** - 50, 25, 12, 8 and 5 percent.

Governing Rules

The Rules of Racing of the applicable Racing Commission in effect at the time the race is conducted shall govern these events and all nominations and declarations will be received only with the understanding and on the agreement of the subscriber that the said Rules of Racing govern and the following additional conditions apply:

- (a) At the absolute discretion of the Racing Association conducting the race, the entry of any person or the transfer of any entry may at any time be refused and/or canceled without either notice or reason being given and without liability except for the return of any nomination, sustaining or starting payments paid on an entry refused and/or canceled.
- (b) Subject to the Rules of Racing of the applicable Racing Commission, the Racing Association reserves the right to cancel the race without the liability therefore upon repayment of all nomination, sustaining and starting fees, if any, paid on such canceled race.
- (c) Standardbred Canada or the Racing Association reserves the right to change the time and/or place and/or the conditions of the race, or have the race conducted by a different Racing Association subject, however, to the Rules of Racing of the applicable Racing Commission.
