All supplementary fees will be added to the final purse.
- All post positions will be drawn by lot in all events.
- The top nine (9) finishers from the elimination races will be the starters in the final. All ties will be broken by a draw by lot. If two (2) eliminations are held, the top four (4) from each division will advance and one (1) of the two (2) fifth-place finishers (as determined by a draw by lot). If three (3) eliminations are held, the top three (3) from each division will advance, and so forth.
- There will be a first and second also-eligible horse in the final race. There will be a first and second also-eligible horse in the consolation race. Also-eligible horses are chosen from the next top horse as determined by order of finish in the elimination races. All ties are broken by lot. Release time for the also-eligible horses in the consolation and final is 8:00 a.m. on Monday, August 6, 2007.
- The two also-eligible horses for the final and the next top seven (7) horses by order of finish in the elimination races will start in the consolation. Consolation race starters will consist of the 10th through 18th top finishers in the eliminations, as determined by the method illustrated above. Two also-eligible horses for the consolation will be the 19th and 20th top finishers from this calculation. All ties will be decided by a draw by lot. These also-eligible horses will draw into the consolation if there is a scratch from the final allowing one of the 10th or 11th place horses to move into the final. They also may draw into the consolation if one of the 12th through 18th placed horses is scratched prior to 8:00 a.m. on the day of the race. At least five (5) separate betting interests must be entered for the consolation race, or the consolation may be declared off. The consolation purse would then be added to the final purse of \$300,000.
- If there are five or more starters, the purse will be distributed on a 50%, 25%, 12%, 8%, 5 % basis; 4 starters: 55%, 25%, 12%, 8%; 3 starters: 55%, 30%, 15%; 2 starters: 65%, 35%; 1 starter: 100%.

Grand River Raceway's responsibility and liability under such circumstances is limited to refunding without interest nomination, sustaining, supplemental, and starting fees collected toward cancelled events, if these fees have not

Horses tied for the last eligible starting position(s) for the final will be drawn by lot to constitute a field of ten horses.
5. Also-eligibles: One also-eligible will be carried to the final event. No also-eligible will draw into race after wagering has opened.

		Starting Fee:	See below
	<u>Yearlings in 2007</u>	Nomination Fee:	\$50 due May 15, 2007
		Sustaining Fee:	\$400 due March 15, 2008 (only to be made if you intend to race in 2008)
		Sustaining Fee:	\$600 due February 15, 2009

Supplemental Nominations: If the May 15th nomination fee is not made, yearlings can be nominated by July 15th for a late fee of \$500. If neither yearling nomination payment is made, a 2-year-old can be supplemented to the OSS by March 15th of the 2-year-old year for a fee of \$5,000.

Nomination Fee: The May 15th yearling nomination fee, or late fee, shall be divided equally between 2 and 3-year-olds, colt and fillies, trotters and pacers. The sustaining fees will be added directly to the fund for the eligibles' age, gait, and sex. Even though the eligible may change gait after this date, no transfer of these funds will be made.

Starting Fee: Shall be added directly to the event in which the eligible has been declared to start. In 2007, the starting fee for Gold Eliminations will be \$750. The starting fee for Grassroots Events in 2007 will be 1½% of the added money that the horse is racing for, rounded down to the nearest \$10.

Starting fees will be collected only for Gold Eliminations and Grassroots Series Events. The starting fee is due in accordance with Ontario Racing Commission rules in effect at race time. Cheques shall be payable to the "Ontario Sires Stakes".

Trainers are responsible for verifying declaration times at each track. These times will be strictly adhered to.

Any eligible filly, colt, or gelding changing gait after the sustaining payment in either year, will be eligible to race at the gait adopted, upon notifying the OSS Administration of the change.

Sustaining Payments: The OSS Administration, as a courtesy, will make every effort to advise nominators of future sustaining payments but it is the responsibility of the owner of the eligible colt, filly, or gelding to ensure that future sustaining payments are made whether or not notice has been received. Failure to make a payment when due constitutes automatic withdrawal from racing in the Stakes events of that year.

Purse:

The purse shall consist of a portion of the Horse Improvement Program, the horsemen's purse fee, the stallion levy, the share of the original nomination, the amount of the sustaining fee for that age, gait, and sex, and the starting fee. The stallion levy will be applied to the purse of the Grassroots Events only.

In 2007, all 40 Gold Finals (five for each gait/sex/age) will be contested for \$130,000. All 40 Gold elimination races to determine the finalists in the Gold Final (five for each sex/gait/age) will be contested for approximately \$90,000 subject to that sum being divided equally between or among the number of divisions in which each event was contested.

In the Grassroots Series in 2007, all 24 pacing events (six for each sex/age) will be an approximate value of \$90,000. If two or more divisions are required, the total purse is split with starting fees going to the division in which the horse starts.

In addition, all 24 trotting events in 2007 (six for each sex/age) will be an approximate value of \$80,000. Again, if two or more divisions are required, the total purse is split with starting fees going to the divisions in which the horse starts.

The total of the Breeders' Awards shall be equal to 10% of the Ontario Sires Stakes portion of the Breeder Assistance Program. The breeder is the owner or lessee of the mare at the time of breeding.

Money Division:	5 or more starters:	50-25-12-8-5%
	4 starters:	50-25-15-10%
	3 starters:	60-30-10%
	2 starters:	65-35%
	1 starter:	100%

Added Money:

Two percent of the Standardbred wager plus an additional 2% of the Standardbred triactor wager is set aside for the industry Horse Improvement Program. After provision for an equine research grant and administration costs, a percentage of the program shall be applied to overnight purse assistance grants at Ontario Standardbred racetracks. The remainder shall be applied to the Breeder Assistance program. This program is represented by the Ontario Sires Stakes, the Trillium Series, for Ontario-owned 2 and 3-year-old fillies, and promotional budget.

The ORC will, in its sole discretion, determine horsemen's purse fees, which will be collected from the associations in installments. The amount of each installment and the payment dates are determined by the ORC.

All nominating, sustaining, starting fees, stallion levy, and track fees shall be added to the purse, with no deductions for clerical or managerial work, nor for advertising or publicity.

Format:

The Ontario Sires Stakes Program will be conducted in two independent and distinct events; however, your nomination fee will make your yearling eligible to both events.

The conduct of the Ontario Sires Stakes Program within the following format is conditional upon annual government approval.

A. GOLD EVENTS

There will be a series of 40 Gold Events with five raced annually in each of the following categories:

2-year-old Colt and Gelding Pacers	2-year-old Filly Pacers	2-year-old Colt and Gelding Trotters	2-year-old Filly Trotters
3-year-old Colt and Gelding Pacers	3-year-old Filly Pacers	3-year-old Colt and Gelding Trotters	3-year-old Filly Trotters

If needed, each Gold Final shall have eliminations to be raced approximately one week prior to the Gold Final. The eliminations will be held at the same track as the Final whenever possible. The elimination races are to qualify the starters in the field of the Gold Final. If there are only enough horses for one Gold Elimination, the race will be cancelled and all horses will be considered declared directly into the Gold Final to be held the next week. The purse for the elimination race will move forward to the Final at a reduced rate.

The total estimated purse for the Gold Elimination event will be approximately \$80,000 to \$100,000 depending on the age/sex/gait category. In 2007, each Gold Final requiring eliminations will be contested for a purse of \$130,000.

Determination of Eligibility to the Gold Finals: For the number of starters permitted for the Final please refer to the OSS Racing Guide for the applicable year.

The starters for the Final will be determined from the declared horses by the order of finish in the elimination race(s). When more than one declared horse is eligible to the last starting position by virtue of its finish in the elimination race(s), a draw by lot will be conducted to determine the final starter.

A dead-heat may not cause the number of starters to increase. Horses finishing in a dead-heat are considered to have finished the same. Horses finishing in a dead-heat will be ranked behind horses finishing in the same position but not in a dead-heat.

B. GOLD SUPER FINALS

A Gold Super Final for each of the eight categories will be contested at the end of the season. In 2007, the purse for each Super Final will be \$300,000. Starters for the Super Finals are determined by a points system (rules prevailing as published in the OSS Racing Guide).

C. GRASSROOTS EVENTS

There will be a series of 48 Grassroots Events with six raced annually in each of the following categories:

2-year-old Colt and Gelding Pacers	2-year-old Filly Pacers	2-year-old Colt and Gelding Trotters	2-year-old Filly Trotters
3-year-old Colt and Gelding Pacers	3-year-old Filly Pacers	3-year-old Colt and Gelding Trotters	3-year-old Filly Trotters

Each event shall be raced one dash at one mile. If more horses declare to start in any event than is permitted at that track, the event shall be split into the appropriate number of divisions with entries seeded by lot. If two or more divisions are required, the total purse shall be split with starting fees going to the division in which the horse starts.

The Grassroots Events will be contested for an estimated purse of \$90,000 for pacing events and \$80,000 for trotting events. In 2007, there will be a minimum purse of \$15,000 per division for all Grassroots events.

Although any horse sustained in the Ontario Sires Stakes is eligible to both the Grassroots and Gold Series, rules prevailing during the particular racing season will prevent horses racing in conflicting Gold and Grassroots within the scheduling guidelines. For more detailed information, please refer to the rules published in the OSS Racing Guide for that calendar year.

D. GRASSROOTS FINALS

Contestants in Grassroots Semi-Finals are determined by a points system. Refer to rules published in the OSS Racing Guide for the current year. After the last scheduled Grassroots race, the top sixteen horses entered in each age/sex/gait category will contest a Semi-Final which will be raced one dash at one mile in two divisions of eight horses. In 2007, Grassroots Semi-Finals will race for a purse of \$30,000 per division. No starting fee will be required for these races.

If more than one horse qualifies for the sixteenth and last position available for the Semi-Final, the sixteenth horse will be selected by lot from among those horses who qualified for that position.

Approximately one week later, a Final will be contested in each category. In 2007, the purse for the Grassroots Finals will be \$100,000. The Final will be raced one dash at one mile. The number of horses permitted to contest the Grassroots Final will be eight. The starters for the Final will be determined from the order of finish in the Semi-Final races. When more than one declared horse is eligible to the last starting position by virtue of its finish in the Semi-Final races, a draw by lot will be conducted to determine the final starter.

A dead-heat may not cause the number of starters to increase. Horses finishing in a dead-heat are considered to have finished the same. Horses finishing in a dead-heat will be ranked behind horses finishing in the same position but not in a dead-heat.

Conditions:

1. Each of the events shall be raced a distance of one mile.
2. In Gold elimination races and Grassroots Events that split into two or more divisions, entries shall be seeded by lot.
3. All races shall be conducted in accordance with the rules of the Ontario Racing Commission and all participants are advised to make themselves familiar with the rules specifically relating to the Ontario Sires Stakes.
4. Should conditions beyond the control of the ORC prevent the racing of any event, the Ontario Racing Commission reserves the right to declare the event off and to distribute the money to the current eligibles or to transfer the event to another date, or to another track, or to do both.
5. If a Gold elimination race has been contested, but circumstances in the determination of the Ontario Racing Commission, prevent the Final from being raced at that track, the Final may be moved to another track or the Ontario Racing Commission may declare the event off and distribute the Final purse money to horses eligible to the Final and pay the Breeders' Awards as determined by the ORC.
6. The ORC within its discretion, may from time to time make changes to the terms, conditions, and the purse structure of the OSS, of any nature and kind whatsoever, including the nomination, sustaining payments, and starting fees, and the nominator hereby agrees to be bound by such changes.
